Title: Apparatus and Methods for the Treatment of Presbyopia using Fiber-coupled Lasers

AMENDMENT (C) (submitted on January 7, 2002)

RECEIVED  
JAN 14 2002  
TG 3700 MAIL ROOM

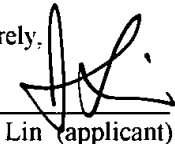

**Examiner: Lee S. Cohen /3739**

Assistant Commissioner for Patent  
Patent Office, DC

Dear Sir:

In response to your Office Action mailed on 10/12/01, please find Amendment (C) below, noting that Amendments (A) and (B) were submitted to the earlier Examiner of this application (Mr. David Burd). Please refer to Amendment (A) & (B), if needed. However, this Amendment (C) can be considered as self-consistent and it is the most up-dated one. I attached: (I) Clear version, (II) Version with markings for changes, and (III) Remarks in response to Examiner's comments.

Sincerely,

  
J. T. Lin (applicant).
